

## The Barberry Jacket is a shaped slim-fitting jacket with a cinched waist and exaggerated hemline.

Inspired by vintage fashion, Barberry is designed to fit within a modern wardrobe and to be comfortable and easy to wear. Barberry features a six-panel bodice, notchedcollar, two-piece sleeves, and a full lining. The instructions will support you to sew all of Barberry's features, which include welt pockets, pocket flaps, and sleeve vents. Barberry is designed to be slim fitting and to be worn over a single layer such as a shirt or blouse.

## Front

## Choosing a Size

Two PDF patterns are provided with different size charts. The first is range 4-22 based on a B-cup block (a 2" difference between your High Bust and Full Bust).

## The second is range 20-36 based on a D-cup block (a 4" difference between your High Bust and Full Bust). There is an overlap at sizes 20-22 where you can choose which size range you would like to use.

Barberry is designed to be slim fitting and worn over a single layer such as a shirt or blouse. If you would prefer to wear the jacket over additional layers, take your measurements over your clothing. Measure your bust, waist and hips and compare against the 'Body Measurements’ chart to select a size. We suggest selecting based on your bust size and grading between sizes as necessary at the waist and hips. The 'Finished Garment Measurements' will help to give a sense of how the finished
 garment will fit on your body. The pattern is designed to have a closer fit at the bust and waist, with exaggerated ease at the hips.

BODY MEASUREMENTS (B CUP SIZES)
Both size ranges are drafted for a height of 5'4 $(165 \mathrm{~cm})$.
